

Sheldon College Song

In Sheldon College We Trust

*Walk the path of success making our star shine
We will do our best all the time
Reach for the sky we will hold our heads up high
Today's Challenge, Tomorrow's Success*

CHORUS

*We will follow the light of our 4C's
From a single vision we come
Rising out of adversity and dust
In Sheldon College we trust
We are strong, strong and free
United by what we believe
From a single vision rising from the dust
In Sheldon College we trust
From a single vision rising from the dust
In Sheldon College we trust*

*It's with Love, Laughter, Learning that we proceed
They're the essence of what we believe
Reach for the sky we will hold our heads up high
With pride we forge our destiny*

CHORUS

*We will follow the light of our 4C's
From a single vision we come
Rising out of adversity and dust
In Sheldon College we trust
We are strong, strong and free
United by what we believe
From a single vision rising from the dust
In Sheldon College we trust
From a single vision rising from the dust
In Sheldon College we trust
In Sheldon College we trust*
