CO-CURRICULAR PROGRAMS 2025

Sheldon College offers a comprehensive scope of activities and experiences in the categories of Advocacy, Technology, Learning Enrichment, Arts and Sport, to empower students to have real world impact by developing their global competencies.

Our Co-Curricular Program:

- Encourages students to participate in a balanced breadth of co-curricular experiences in support of their wellbeing.

- Provides opportunities for students to grow in confidence, competence, and character so they may discover and develop their strengths.

- Fosters relationships both within and beyond the Sheldon College community so that students may achieve the extraordinary as citizens the world needs.

This booklet contains a summary of the Co-Curricular Programs available for Primary and Secondary Students in 2025. All information is subject to change.
