Enrolment Application

General Information

Sheldon College conducts its enrolment of international students in an ethical and responsible manner, consistent with the requirements of The National Code. Enrolment applications may be lodged at any time and for any year level but placement will be subject to availability. However, the best time for lodgement is 6 to 12 months prior to the intended commencement date.

NB: It is our preference that international students complete Year 10 on campus before commencing Years 11 and 12. There are some exceptions to this if a student is transferring from another Australian high school.

Enquiries for Enrolment

Mrs Rebecca Anthony - International Education Program Manager - Email: international@sheldoncollege.com, Phone: (07) 3206 5528.

Please enquire first via phone call or email to ask if an enrolment application can be considered for a potential student; including the information required during each step in the process (see below). At this point, if not already provided, further information may be sought regarding year level, entry year, accommodation arrangements and English proficiency level. Each year an updated School Prospectus, pre-enrolment collateral and the International Schedule of Fees is sent to all Sheldon College International Education Agents.

Enrolment Process

Step 1:

The following is submitted to the school by the student and their parent(s)/legal guardian(s):

- Completed International Application Form.
- Copies of the student's academic record for the past two (2) years (in English).
- Copy of the student's passport.
- Acceptable evidence of English language proficiency (e.g. AEAS, IELTS).
- Non-refundable Registration Fee.

An application for enrolment can only be processed when all of the above documents have been submitted to the school. Applications from International students are processed according to established policy and procedures and are dealt with on their merits.

Step 2:

Where logistically possible, the student is interviewed face-to-face by the International Education Program Manager; otherwise this could be done via Zoom. The purpose of this interview is to converse with the student in English to further assess their proficiency level and suitability for study at Sheldon College. If they are onshore a College tour will also be arranged.

NB: Agents must ensure that any preparation for the interview takes place prior to the interview date. The agent cannot coach the student during the interview as this will not give the interviewer an accurate assessment of the student's English level and general capability.

Step 3:

If the interview is successful, the school will notify the student if they can be accepted for Direct Entry or will be required to undertake an ELICOS Course or a High School Preparation Program (HSPP) prior to beginning mainstream studies. If an ELICOS Course or HSPP is required, evidence of enrolment must be provided to the school.

Step 4:

Once an application has been accepted the student will be issued:

- A letter of offer outlining fees payable upfront, accommodation, entry requirements and course details.
- An Acceptance of Enrolment/Written Agreement to be signed by the student and parent/s.
- International Student Handbook outlining relevant policies around refund, welfare and accommodation, course attendance and progress, visa requirements for enrolment as an international student and privacy.
- BYOD program information.
- Acceptable computer usage agreement.

Step 5:

The parent(s) / legal guardian(s) and the student sign and return the Written Agreement with confirmation of fees quoted in the letter of offer.

NB: The agent cannot sign documents nor make fee payments on behalf of the student or their parent(s)/ legal guardian(s).

Step 6:

Sheldon College will issue a Confirmation of Enrolment (CoE) on receipt of a signed Written Agreement and fees payable. Please advise the school of payment transaction details / how / when payment of fees is being made.

Step 7:

Student applies for the student visa and notifies the school when it is granted.

Step 8:

If applicable, student submits a Homestay Application Form and is matched with an appropriate family.

Step 9:

If the student is undertaking an ELICOS course or a HSPP prior to commencing at Sheldon College then an integration day will be organised so that the student is able to attend some classes with their assigned buddy; organise school resources such as uniforms, text books; and discuss any subject selection queries.

Step 10:

Queenslands Education System

Overview of study pathways in Queensland

Queensland Curriculum & Assessment Authority (QCAA)

The QCAA is a statutory body of the Queensland Government providing Kindergarten to Year 12 syllabuses, guidelines, assessment, reporting, testing and certification services for Queensland schools. The QCAA website has information about the curriculum and assessment delivered by Queensland schools to students enrolled in [Prep – Year 10](#) and [Senior Secondary](#).

The QCE

The Queensland Certificate of Education (QCE) is Queensland's senior secondary schooling qualification. It is internationally recognised and provides evidence of senior schooling achievements.

The QCE is awarded to eligible students usually at the end of Year 12. The QCE offers flexibility in what is learnt, as well as where and when learning occurs. Students have a wide range of learning options.

To receive a QCE, students must achieve the set amount of learning, in the set standard, in a set pattern, while meeting literacy and numeracy requirements.

Senior pathway planning starts in Year 10, when schools work with students and their parents/carers to develop a Senior Education and Training (SET) plan or equivalent. This plan helps students structure their learning around their abilities, interests and ambitions. It details what, where and how students will study in Years 11 and 12. For this reason, it is very important that overseas students wishing to successfully complete studies in Years 11 and 12 in Queensland be enrolled in Year 10 by the beginning of Semester 2 at the latest.

Senior Education Profile for Year 12 Students

All students who finish Year 12 receive a transcript of their learning account in the form of a Senior Statement. If a student has a Senior Statement, they have satisfied the completion requirements for Year 12 in Queensland.

After finishing Year 12, students who are eligible will receive a QCE. For more information, see [Senior Education Profile \(SEP\)](#).

Tertiary Entrance

From 2020, an Australian Tertiary Admission Rank (ATAR) is provided to eligible Year 12 students for tertiary selection and enrolment. The [Queensland ATAR](#) for students in Queensland is administered by the [Queensland Tertiary Admissions Centre \(QTAC\)](#). For more information, see [ATARs and tertiary entrance](#).

An ATAR will be issued to all eligible students. Students will be able to use the ATAR to apply for tertiary entry to any university. However, some universities may also consider applications for direct entry. Sheldon College's Careers Counsellor can give advice in this case.
